HONORING A.C. REYNOLDS HIGH SCHOOL FOR THEIR VICTORY AT THE NORTH CAROLINA STATE FOOTBALL CHAMPIONSHIP

HON. HEATH SHULER

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 16, 2009

Mr. SHULER. Madam Speaker, I rise today to honor the recent accomplishments of the A.C. Reynolds High School football team, the Rockets.

On Saturday, December 12, the Rockets won the North Carolina 4-A State Football Championship against Hartnett Central High School, with a score of 14–13. They finished the season with a record of fourteen wins and only two losses. A.C. Reynolds is the first high school in the history of Buncombe County to win three State High School Football Championships in 1999, 2002 and 2009.

I especially wish to congratulate A.C. Reynolds Head Football Coach, Shane Laws. I know from experience that teams do not rise to this level of success without a strong coach. It takes a great leader to instill the determination and work ethic that lead to victories on the football field.

The A.C. Reynolds Rockets Football team is known throughout the mountain area for their strong defense. This season's championship

and stellar defensive play only continue that legacy. These young men have well represented the mountains of Western North Carolina throughout their drive to this year's State Football Championship. It is my privilege to recognize their accomplishments today in this chamber.

Madam Speaker, I ask my colleagues to join me in expressing our congratulations to this group of young men and their coaches for their accomplishments on the football field this season.

REINTRODUCTION OF THE REVITALIZING CITIES THROUGH PARKS ENHANCEMENT (RECIPE) ACT

HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 16, 2009

Mrs. MALONEY. Madam Speaker, I strongly believe that open spaces and community parks are a critical part of urban infrastructure. That's why today I am reintroducing the Revitalizing Cities Through Parks Enhancement (RECIPE) Act, that would establish a \$10 million grant program for qualified, non-profit, community groups, allowing them to lease municipally owned vacant lots and transform these areas into parks. Parks and gardens created with the grants will not only provide safe places to gather, but will increase property values as well. The grants will be available from the Secretary of Housing and Urban Development to groups who have met standards of financial security, and who have histories of serving their communities. To further ensure that these grants are used to make lasting positive changes, land improved and made into open community space under this legislation must be available for use as open space from the local government for at least seven years.

TERRORISTS BELONG AT GITMO, NOT A NEIGHBORHOOD JAIL

HON. LAMAR SMITH

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 16, 2009

Mr. SMITH of Texas. Madam Speaker, the Obama Administration has announced its plan to transfer 75 Guantanamo Bay detainees to the United States.

The Administration claims that transferring these detainees from Guantanamo Bay will somehow lessen al Qaeda's desire to attack America. But a change in location of detainees is not going to reduce terrorists' hatred of America.

However, the transfer of any Gitmo detainee to the U.S. will give them additional constitutional rights, making it harder for prosecutors to obtain convictions.

The Administration claims that it can detain these terrorists indefinitely. But many agree this is an impossible goal. Civil liberties groups were quick to point out that indefinite detention inside the United States without a trial is little more than a change in zipcode.

It is clear to all but those in the Administration that this decision will likely result in the almost immediate challenge to detention as soon as these terrorists arrive in Illinois.

The Guantanamo Bay facility in Cuba, not a prison in America's heartland is the right place for terrorists.
